

WHERE
EVERYONE
IS A WINNER

PROSPECTUS

**Nirmala Bhavan Higher
Secondary School**
Kowdiar

Where there is love, there is God

“PURSUE”

IS WHAT
WE ARE ALL ABOUT

VISION

Excellence in all fields of endeavour, moulding the young minds and souls to be responsible, compassionate, committed and fully integrated citizens of a free, democratic nation.

MISSION

- To provide quality education to all classes of people, to enable the students to fulfil their obligation to their fellow beings and to hold fast to the moral values and principles.
- To train children to develop their innate talents and help building meaningful careers and inculcating the spirit of self discipline, secular-democratic outlook and love of God and fellow human beings.

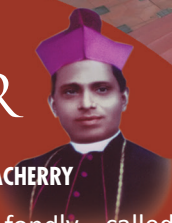

Over **55** Years of finest Schooling Tradition

For more than five decades, since its inception in 1964, Nirmala Bhavan Higher Secondary School has developed with a spirit and a vision. Today it stands as a citadel of learning and a harbinger of quality consciousness, committed to developing the minds and initiatives of children. The vitality of the classrooms, the energy of the playing fields and the open friendliness of the work environment, have enabled NBHSS students to reach their fullest potential – whether in securing distinctions in the Board Examinations or winning accolades. Outstanding Board Results and securing enviable positions in the entrance tests to various professional colleges and institutes are the hallmarks of a school. Innovation is fundamental to learning programmes and its faculty has endeavored to revolutionize in terms of ideas and practices, to match the demands of twenty-first century educational trends and global associations.

OUR INSPIRER

VENERABLE MAR THOMAS KURIALACHERY

Thomas Kurialacherry, fondly called as 'Kunjuthomachen' was born on January 14th, 1873 at Champakulam in Changanacherry, to Chackochen and Accamma. During his seminary education in Rome, he was influenced and inspired by the Perpetual Adoration sisters. On his return from Rome he pursued the inspiration to promote Eucharistic devotion in his own homeland by all means. As an educator – he was a lamp to those who were moving in darkness – a man of great intellectual vigour. Being a strong advocate of education, Mar Thomas started several educational institutions.

STEP INTO THE WORLD OF NIRMALA BHAVAN

Formal education must encompass three primary goals - to educate youth to become responsible citizens, to develop individuals so as to ensure the nation's economic success, and to develop individual talent and intelligence. Our school has created an atmosphere that is not only complementary to the achievement of these goals, but also dynamic enough to satisfy the burgeoning demands of today's generation for adopting the best methods of learning.

The school is deeply committed to maintaining a cheerful, safe and secure environment, so that each truly begins to think the school is his 'secondhome'. Every child is given an opportunity to excel, and for carrying this forward, we offer a myriad of avenues to each child to develop, discover and nurture his/her talents.

School's prime goal is the development of all- round personality of student. The primary thrust of the School is to undertake pioneering scholarly activities for students, to expand their horizons, by providing much needed quality education.

Strong in tradition, it has evolved into a 'matrix' of networking educational development with assurance of State's finest results.

We Believe...

*When you share knowledge or obtain knowledge,
there is a power and capability that is gained forever.*

Humanism

Innovation

Academic Year

The academic year is from April to March of the following year. The academic year is divided into three terms. The first term is from April to July, the second term from August to November and the third term from December to March.

Admission Regulations

- Students are newly admitted only at the beginning of the academic year, on the basis of their performance in the test and interview.
- Promotion to a higher class is based on the performance of the students in weekly tests and other examinations throughout the year. A student who fails consequently in the same class will not be permitted to continue his/her study in the school. **The decision of the principal with regard to promotion in the final examination will be final in all cases and will not ordinarily be reconsidered.**
- In the terminal examinations the students are given grades according to their performance.
- **Admission to plus one** are given on the basis of marks secured in **S.S.L.C Exam**.

SCHEME OF STUDIES

The Scheme of studies from Std 1 to 12 is as per the syllabi followed by the Government of Kerala.
